

NEW MENU

GRAB & GO!!

As schools start to reopen to larger groups of children we will be operating a 'takeaway style' menu for all of our pupils using disposable recyclable packaging. This will ensure maximum health and safety procedures can be followed and reduce any risk. We will be removing the need for children to queue or use the self service areas and dining hall. It enables children to be spread out in their 'fixed groups' or 'bubbles' across the school at lunchtime and make use of outside space whilst still enjoying a hot daily lunch!!

WEEK 1

MONDAY
